Honeycomb Skilled Trades Scholarship Program (2025 Application)

This program offers financial assistance for students pursuing educational tuition in the skilled trades.

I. Terms & Conditions

- **Eligibility:** The scholarship is open only to **legal residents of Texas** residing in **Bexar, Comal, and Kendall counties**.
- Applicants must verify that they are a **current resident or high school senior** living in the San Antonio area.
- **Award Value:** The award is a **one-time payment of $500**.
- **Payment Method:** The $500 is paid directly to the student for their educational tuition.
- **Contest Rule: No purchase is necessary** to apply or win the award.

II. Application Requirements

To apply, candidates must fill out the application form and submit a short essay.

Essay Guidelines:

- Essay length must be between **300 and 500 words**.
- The essay must answer **one** of the following prompts:
    - Why have you chosen a career in the skilled trades?
    - How do you plan to impact the San Antonio community?
    - Where do you see yourself in 5 years?

III. Information for Financial Aid Officers

Honeycomb Heating & Cooling supports local education, and financial aid officers committed to listing this scholarship on a school's bulletin or external scholarship portal can download an official scholarship information sheet.

IV. Confidentiality and Use of Submission

- Honeycomb Heating & Cooling guarantees that student data is **strictly confidential**.
- Applicant emails are used solely for **award notification** and are never added to marketing or email lists.
- The winner grants permission for their name and submission to be featured on Honeycomb Heating & Cooling's **social media channels** to highlight the achievement.
